What is equality?

What is equality?
"Women at the peace table"
"An issue of the past?"

Civil society and media friends at a reception on 18 March 2015, hosted by SASG Espen Barth Eide and UNFICYP Head of Mission Lisa Bittenheim share their thoughts on equality and on peace.

2015 marks the 15th anniversary of Security Council Resolution 1325 on Women, Peace and Security, and the 20th Anniversary of the Beijing Declaration and Platform for Action - two landmark declarations that continue to underpin UN - and the world's - efforts to bring full equality and full participation to the lives of all women.
