**MAKARIOS AND KUCHUK MEET AGAIN**

The opening session of the 22nd plenary assembly of the World Federation of United Nations Associations, now taking place at Ledra Palace in Nicosia, saw the Cyprus President Archbishop Makarios and the Vice-President Dr Fazil Kuchuk meet again for the first time since the start in 1963 of the intercommunal troubles.

This happened as His Beatitude stepped down after having delivered the inauguration speech at the Federation’s assembly. He then stopped at Dr Kuchuk’s place, where the two community leaders exchanged courtesies and shook hands. The brief encounter drew a warm applause from the many delegates and spectators among whom were invited guests from the Government, the Turk-Cypriot leadership, etc.

Flera svenska deltagare imponeer också stort på publik. Framför allt vår ene guldmedalje Bertil Johnson trots att han inte hade någon lyckad dag. Han stannade på 155 m trots att han har avsett högre höjder i kroppen. Det skulle vara roligt att så honom tävla med en jämrikt mottärlige, då han är angripande att pressa sig till det största. Längdloppet Lennart Karlsson gjorde en terrific efterfinal som gav 2.34 m och en ännu hörbar som dröjer sig kvar i minnet. Liksom sporten Hans Johanssons desperat slags som han avslutade med att kasta sig över målingen. Men mest minnas vi kanske snella vårliggandens komiska fullpföll. HQ:s jättelik diskusjon kom ännu över planen från diskusjonen på inget till "ext"- sören i stråket. När han fast uppvaxt på sina uppskattningar av 120 kg ordentligt, var det en känsla på läcken som exakt härmed en läsvin. Jodel och succé!

THE WORCESTERS TRIUMPH AGAIN

At Flamignius on Thursday the 4th the 1st R C C WORCESTERSHIRE Regiment who last weekend swept the board at the Unijex Swimming Competition once again showed their prowess with victory by 11 points in the Athletics Competition.

Sgt Nigel Moses got the rest off to a fine start when he romped home in first place in the 100m and 200m. The 400m followed and in this event, Lance Corporal Philip Bradey created all opposition to take the event by some clear 2 clear seconds. Cpl Gerry Kiddell ran well to come second in the 800m and L/Cpl Alan Daley was magnificent and ran himself into the (BMH) Dibekilla to come 4th in the 3,000m.

At the field events Cpl Dave Cannon came third in the High Jump, clearing 23" and Sgt Tony Gay excelled himself in the Long Jump taking second place in the Triple Jump. In this event he was eyeing the final jump when the then second place holder from Cacoon decided not to have a final jump. He was satisfied that he had enough in hand to clinch the things, however Tony gritted his teeth and sought into second place by 1 cm, much to the Canadians surprise Cpl Ken Dutton came third in the Long Jump.

At this point the title was ours but enthusiasm still prevailed and Pte Derek Petrie came 6th in the Shot. Then in a fitting finale the 4 x 400 relay team of Cpl Zoc' Poun, Pte Terry Martin, Cpl Gerry Kiddell and Lance Corporal Philip Bradey won home 50-yards ahead of the Poms to make it a week to be remembered for a long time to come.

IIRC WARPIPES

Scotland - the land of the Piper and the pipe band. So it is only fitting that when the Pipes and Drums of the 11th Infantry Group have proved themselves in many events, both sporting and musical, they should be well represented at the forthcoming Annual Pipe Band Festival.

For those who have not heard the Band, a foretaste of the annual Christmas Dinner where the pipes play as the pudding is brought to the CO's table.

Many of the members of these pipe bands play with civilian bands in their spare time and their standards can be judged from the fact that when St. Lawrence's O'Connell's Pipe Band won the Supreme Championship of Ireland, two years in succession right of its fifteen members were soldiers.

It takes about six months to train a person to master the finger movements and to be able to play a few simple marches. As with other skills constant daily practice is essential and the piper must continue to learn all the time.

Canadian MP's

"One of the most gratifying jobs in Cyprus?"

That's how Private Sergeant Alonzo Ploune describes his duties as head of the military police section of the 3rd Battalion Royal Die Regiment at Camp Maple Leaf.

The section is a small one, made up of Sergeant Ploune, two corporals and a private. Their responsibilities include camp security, fire and jeep patrols. The section also co-operates with the Unficyc, Military Police Detachment assisting them in translation and手臂 duties.

We all enjoy our work at Camp Maple Leaf," Sergeant Ploune stated, "because we are extremely busy. Regular office hours just simply don't exist!"

The French-speaking MP's are in a good position to judge their fellow-man, and according to the proven sergeant, a minimum of serious disciplinary problems arise.

"Optists are most friendly toward the Canadians," he said, "and our soldiers are pretty proud of that Canadian patch!"

Private Desylva's story is typical of the tour. His duties include guarding the main gate, catering to future visitors, and acting as a security guard for the camp. His work is considered important due to the constant flow of visitors.

In the photo, Desylva is looking straight ahead, his hands on his hips, as he stands in front of the gate. The gate is closed, and the surrounding area is empty. Desylva's uniform is crisp and well-fitted, with the Canadian flag clearly visible on his sleeve. His expression is serious and focused.
