NEW CHIEF CLERK FOR OPS

Saturday 9th August saw the departure of WO2 Jim McCowat, the Chief Clerk OPS, from the Headquarters. WO2 McCowat spent 3 years with HQ UNFICYP and is now taking up the post of Superintendent Clerk HQ North East District as a WO1. We would like to wish him farewell and good luck for the future. His replacement is WO1 (Conductor) Bill Sykes. Our picture shows WO1 Sykes (left) learning the intricacies of the JOC from WO2 McCowat.

BRITCON NEWS

During last week’s Sqn RCT, the winners of the Cricket competition, took on a select Ladies team from HQ UNFICYP. The result was a somewhat amusing win for the Ladies. Our picture shows Miss Sally Bevan, from the MPPO’s office, about to bowl. If you look closely you will see Miss Bevan is holding two balls. This surprises us, as we were under the impression cricket was played with only one ball, but must have terrified the batters!

UN AUTRE EXPLOIT POUR LES CANADIENS

Le Contingent Canadien a établi un record sans précédent, en conduisant pendant 110,789 miles pour le mois de juillet sans accident. Depuis 1964 aucun Contingent sur l'île de Chypre n'a réussi cet exploit digne de mention.

HQ UNIFICYP AND INTER CONTINGENT SPORT

Last week saw two other sporting activities in which the HQ took part. The first was the final of the HQ Tennis competition. This competition, which was a very successful event, started with an entry of 29 and was run and organised by Capt Boin Carlson.

The picture above shows Maj Sandell (right) and Capt Storreiter during a friendly handshake just before the start of the HQ UNIFICYP Tennis Final. Capt Storreiter went on to win this hard fought final by 6-2, 6-3, 11-9.

ADC to the Force Commander. The second event was the final of the Contingent Squash competition. Both these events were hard fought and closely won.

Here we see the two teams who contested the Squash Final. They were Camp and HQ UNIFICYP versus BRITCON. In the picture, the Captain of the Camp and HQ Team, Capt I.P. Copper, wins the BRITCON Captain, Maj D. Chappel, in the best of five. Camp and HQ, which included the Force Commander, won the competition which was very close at the finish by 3 matches to 2 matches. In actual games played, the result was 11 games to 10 games. Congratulations to both teams on a very exciting and entertaining competition.

HQ INNISH STAFF OFFICERS CHANGEOVER

Last week SWEDCON was visited by an entertainment group from Sweden. The group consisted of six persons and they gave three shows during their one week visit to Cyprus. The artists also performed in some OPs and sang for the soldiers, something that was very well received. The picture is from the last show at Carl Gustaf Camp in Famagusta. From the left: Lt Ulla Sallert, Lt Bo Sandblad and Lt Ann-Marie Ruden. In the orchestra played Lt Gote Wilhelmsson, electric organ, Lt Rolf Lowgren, bass guitar and Lt Karl-Gustav Jonsson, drums.

This week sees the departure of two Finnish Staff Officers from HQ UNIFICYP. They are Maj Lars Olander (left) and Maj Martti Hietalalhti (right). We would like to wish both officers a safe journey home and wish them and their families all the best for the future. Replacing Maj Olander is Maj Ilkka Kihonen and the successor for Maj Hietalalhti is Lt Cdr Sjef-Petter Linna (centre right). We would like to take this opportunity to welcome these officers to HQ UNIFICYP and hope they have a pleasant tour of duty on the Island.
