THANKS FOR GOOD SERVICES

Last week another Finnish rotation was completed.

At the airport the Force Commander, Major General D. Prem Chand, expressed his thanks to the Finns for their valuable services to UNFICYP in the past six months.

Do we have space enough for all the luggage?

En spændende verden

Det er jo ingen hemmelighed i Dancon, at Nossias frilinger ligger lidt bagt højere en, men til gengæld er det også flere, der her findes rej til en anden "underverden", der gennem udbyttningen er kommuner og langt nærmer ind på livet end før.

Vores sportsskylde er i fuld gang med at udføre havbundsens mysterier og bor aldeles hurtigt mange spændende oplevelser.

OS I. Svane fra SIG. DEL og KS B. Holm, PDDEL, som ses på billedet, har meget og meget at berette. MEN PAS PÅ!

Vejens til alle disse nye hemmeligheder er ikke helt så legeligt, som mange tror. Man skal ikke vide sig i nord på den slags, uden forudgående grundig instruktion og træning. Men tal med Svane om det, hvis du er interessert.

Vagtskifte i UNCIYPOL

Tak for tiden, vi har haft sammen i by og på land—og et velkommen til Austrian Cywil, med hvem vi håber at få et godt spørsmåbøj.

SUPPLIES AND TRANSPORT

No operations could work successfully without supplies and the transport to get them there. The job of supplying water to the area is a difficult one especially when the water must be driven up steep and twisting tracks to lofty OPs.

This requires first class drivers with ice-cold nerves. The drivers of the 2nd Garrison Supply and Transport Battery, 18th Infantry Group, have been working since 1964 and 1965.

To keep these jeeps and trucks on the road, we are lucky to have excellent men in our transport unit. They seem to be enjoying their work too. Left to right Corporal J. McHale, Corporal C. Quirke, Sergeant T. Daly and Private T. Richart.
British Commonwealth Leader Dines With Canadians

His Excellency Mr Harold Smith, Secretary-General of the Commonwealth, and Mrs Smith visited their fellow Canadians last week during a tour of Cyprus.

Mr and Mrs Smith (seen here on either side of Lieutener-Colonel Dan G. Loumait at the head-table) were guests of honor at a formal meal dinner held at the Royal House Officers' Mess.

Major-General D. Frenn, Chaud and Mr. Osores-Tayi were presented souvenir blazons of the Royal Canadian Regiment on the same occasion.

SWIM SAFELY

Drowning fatalities occur every year. In nearly every case they would have been prevented if the persons concerned had taken elementary precautions.

There are some basic rules which should be always observed by EVERYBODY.

Here they are:
1. Don't enter the water unless there are at least two of you.
2. Don't enter the water if you do not feel well.
3. Don't enter the water if you are under the influence of alcohol.
4. Don't enter the water for at least an hour after having a meal.
5. Don't go out of your depth until you can swim well.
6. Don't indulge in rough play in or near the water.
7. Don't swim when the sea is rough.
8. Don't swim where there are eddies or currents.
9. Don't dive in shallow water.
10. Don't dive where you may injure yourself or another person.
11. Learn how to float and how to tread water.
